DECEMBER 2017

BOYS BASKETBALL

Although the boys basketball season began with a defeat to Tri-County, the team quickly bounced back with a winning score of 51-33 against Kankakee Valley at home. The next game of the season will be an away game, held on Friday, December 8, against North White. Chad Pulver has been welcomed as the new varsity coach. Pulver was pulled from a list of many candidates for the position and earned the position through a vote amongst the school board. Pulver is not a new face to the community, nor the school corporation, as he's coached at RCHS at the junior varsity level from 2011-2013. We welcome Pulver and wish the team good luck and success for the rest of the season.
