Mr. Mojo

Last Wednesday RCHS had a special guest come to the school to talk about bullying and loving yourself. Travis Brown, also known as Mr. Mojo, travels around the United States and Canada to talk to schools, pro football teams, and celebrities. Travis Brown was also a coach on MTV Made.

Mr. Mojo started the convocations getting students and teachers involved in a game of Mr. Mojo Says. He talked a little bit about his personal life and how his mother was bullied as a kid. He also shared how people have always doubted him or didn't think he should be respected because what has happened in his life, but he proved you can rise above. RCHS students truly enjoyed and hopefully benefited from his advice.
