RCHS Bands "Reborn"

The members of the RCHS and RCMS bands performed very well at their concert Oct. 13. With full stands and heavy hearts, students dedicated the concert in Memory of RCMS Vice Principal Rodger Seats. Along with the band, the color guard did their "Reborn" performance. The middle and high school shared a performance and although the middle school is less experienced, they did a great job.

The band is also excited about their recent success at Preliminaries. The band and color guard brought home a gold. They will now be advancing to the State Contest for the first time since 1998. Way to go, Bomber Brigade! RCHS is behind you all the way.

Homecoming 2014 Recap

With a combination of great players, outstanding coaches, and faithful fans, there was no doubt the Bombers would deliver a win on Homecoming this year. From the beginning to the end, the crowd never stopped cheering them on and when the clock stopped with a score of 40-17 against West Lafayette, the fans were anxious to run out on the field and join the players for the legendary "bomber jacks."

The students celebrated after the big game by dancing the night away at the annual Homecoming Dance. During half time, the crowd watched as Kathryn Moore was crowned Homecoming Queen followed by The Bomber Brigade performing "Happy" by Pharrell Williams.

In essence, it was a successful Homecoming and everyone hopes the Bombers go further than they ever have before by winning sectionals and moving onto State.
