## 2015 Homecoming

RCHS's 2015 annual Homecoming week was filled with many fun activities. We had a spirit week that consisted of pajama day, jersey day, nerd day, class color day, and Bomber spirit day! During school on Thursday, we had the first annual Class Olympics. The annual Homecoming parade took place on Thursday night. After the parade, there was a pep rally where the Homecoming queen candidates competed in an obstacle course with their chosen team of staff members. The week ended with the rained out football game against Delphi and the election of the queen in the gymnasium. The candidates included Monica Clemente, Ashton Schultz, Ava Davisson, Bailey Davis, and Madeline Barber. The 2015 queen is Monica Clemente. Congratulations!

## Chaos Receives Prodigious Award

RCHS' yearbook has been awarded the 2015 Jostens National Yearbook Award of Excellence. The RCHS Chaos has achieved this by: creating an inclusive yearbook, student engagement, and successfully managing creation of the yearbook. Mrs. Schneider, Adviser, works with her staff to achieve success. We will receive a plaque to display, and we also received a banner so the school is aware of this great achievement. Our achievement has also been recognized in the Republican. Mrs. Schneider stated, "I have worked extremely hard on the yearbook program for the past two years. The 2015-2016 Chaos is even going to include augmented reality, a cool way to bring yearbook photos to life for students of a digital age." This year the Chaos team will be stepping it up a notch, working diligently on a galaxy theme that is out of this world. If you haven't ordered your yearbook yet, speak to me or any Chaos staff member for information.
